PRIVATE
SECRETARY

Jillian

I'm a private secretary for a major business mogul. I book her appointments, her meetings, her travel, and so much more. Fortunately, she's away for weeks and sometimes months at a time, but I keep her going to the right place, and on time. Her absence allows me lots of daydreaming time. Today, that dreaming cums true and I'm so excited.

NICE CAR NICER WIFE

This is a story of how helping a stranger can pay off in the end, and in the mouth and in the pussy. But I digress, it's about helping a stranger, like I said.

His vintage 1966 convertible was sitting by the side of the road with him still in it. He was on his cell phone when I pulled over to ask if he needed any help. I backed my truck up to the black beauty and let it block a little of the road so that traffic would have to slow down. I introduced myself and Michael told me it just died as he was driving. I asked if he had enough gas and he said he did. After a few minutes under the hood I found the problem. The distributor cap had come loose and connections weren't being made.

Michael nicely thanked me and offered me a couple hundred dollars cash for helping him. I said that was too much money for anyone and told him I didn't need payment. Just to be around a car as nice as his was reward enough. He said he smiled and put his wallet away, but insisted that he wanted to repay me somehow. As I turned to go, he gave me his

business card and made me promise to call him the next day.

The next day I called and asked if I would come to his house for dinner. I graciously accepted. I arrived at the address he gave me to find a huge well-manicured home with a tree-lined driveway. I parked short of the front door, walked up to it and rang the bell. Michael invited me in and introduced me to his wife Carolyn. We had a great meal and Michael went on and on about how kind I was to stop and help him, and he was impressed when I didn't want his money. I told him that there were many things in life more important than money, like the '66 convertible.

He told me they had a few more classic cars and if I wanted to see them, well... The garage was bigger than a car dealership. As he opened the door, more

than fifty classic and vintage cars came into view. I was stunned. As we strolled through the garage, he explained that he needed a shop manager to look after his cars, he didn't have time to manage the mechanics, helpers, etc. Most important to him was having someone he could trust. As the wheels in my head were turning, he offered me a salary starting at twice what I was making. Looking at him I realized there was something about Michael I liked; knowing this would work I accepted his offer. Over the years, Michael and I became very good friends, sharing our love of cars was the common bond, but more than that we liked each other's company.

Michael was good natured, and generous to a fault. Within six months of working for him, he asked if I would like to move onto the property. I decided that would work, too, and moved into a guest house that was just behind the garage. Over the years, I traveled extensively with Michael attending automotive events all over the world. Michael and I were having a great time, so much so that Carolyn became a little jealous. After dinner one night, Michael and I settled into the den to watch a movie, this upset Carolyn so Michael asked her to watch it with us.

We men were both in our early forties and in very good shape, but Carolyn was only twenty six, having gotten married at twenty to him. That probably means she hasn't been with a whole lotta men, and she's in the prime of her life. So, after a while, Carolyn's wine got her a little tipsy and a little horny and she started running her hands over Michael's lap. After a few minutes of this, she unzips his pants and fid-

dles around inside. So she pulls out his cock and begins stroking it to full erection. She leans down and sucks it into her mouth. Her head bobs up and down as she engulfs his cock.

I watched her suck Michael's huge fat manhood greedily; she was so good, apparently, that he came within a few minutes as his cum filled her mouth faster than she could swallow, so she had a stream of his juice running down onto her breasts. He pulled her up and

kissed her gently from her neck to her breasts. Then he whispered in her ear, she looked over at me and smiled sheepishly.

She stood in front of us and began to undress, slowly removing her blouse and bra before sliding her jeans off and to the floor. She had beautiful long blonde hair that gently rode across her shoulders; her petite frame carried 100 pounds of exquisite beauty. I couldn't help but stare at her breasts, she was a very nice 36 C and her nipples were small and pointed straight out from the full round shape. She giggled a bit as she took a sip of wine and pointed her toe at me, giving me a glimpse of her perfectly shaven pussy. I took a deep breath and looked over at Michael, he was playing with his still hard cock, and he just smiled at me and nodded that it was OK.

Carolyn came over to my chair and crawled onto my lap. She looked me in the eye and leaned in close and put her left tit in my face. I said "Carolyn, I think you are the nicest lady I've ever met, and I would never do anything to hurt or disrespect either you or Michael." She smiled softly and whispered in my ear "I love Michael and he wants me to fuck you, but please don't

tell him I want to fuck you, too.” She pulled off my shirt as we stood up. Then she pulled my pants and boxers to the floor and my eight inch cock fell against her face as she knelt down before me.

I looked over at Michael as she put my cock in her mouth; he was pulling hard at his cock as he said “Go ahead, I want to watch you fuck her.” I pulled her up to me and kissed her passionately as her breasts rubbed me and her hand gently stroked my cock. I turned her toward the chair and bent her over so that Michael could see us in profile.

I rubbed her ass cheeks, amazed at how tight and round they were, reaching between her legs I felt her soft bald pussy, it didn’t take long before her juice was running onto my hand. I used her juice on my finger to poke at her cute little back door, she giggled as I pushed at it. By now my need to pump my seed was more important than playing with that tight ass, I grabbed my cock and rubbed it on her vaginal lips, her pussy was tight and I had to work to get entry.

After I first got into her sweet little pussy, I pushed my cock head down towards her g-spot, this got her very excited as she danced up and down on her toes, as she got wetter I went deeper, at about halfway she moaned something and then ejaculated all over my cock and hand. This got Michael’s attention and he came over to us, climbed over the chair and shoved his cock in Carolyn’s mouth. He started fucking her hard, forcing himself deep into her throat.

This got me excited so I just shoved my cock all the

way in and started fucking her like a jackhammer. This was my first threesome; it didn’t take long for both of us to shoot massive loads into Carolyn’s hot holes.

My cum was draining down her leg and Michael’s cum was running down her neck and dripping off her boobs. Carolyn was swallowing Michael’s load and using her fingers to scoop what she could before it got away. Michael licked her boobss then flipped her around and sucked

on her pussy lips.

Michael noticed my renewed interest as he pushed Carolyn to the floor beneath me; he crawled over top of her and plunged his big cock into her waiting pussy. Carolyn reached up and grabbed my cock, pulling me down to her face so she could lick and suck my balls. Michael grabbed her tits. Carolyn convulsed with pleasure as she had her first real orgasm. This made Michael suck her boobs harder as Carolyn licked at my balls and put her finger in my ass. It hurt at first, then she massaged my prostate, I shot my hot load into her mouth and she swallowed every drop of my cum as his filled Carolyn’s pussy. When Michael pulled out, I pushed a finger, then two into her butt hole and this got her very excited and she actually squirted out his cum.

We spent the rest of the night on the floor. Every time a dick got hard, she quickly sucked and fucked it into submission. In the morning, Carolyn wrapped her arms around me and said “Stay for breakfast.” Michael and I smiled, knowing that our friendship was stronger than ever and that Carolyn was happy about it. And if Carolyn is happy, we’re all happy.

I just started working here a couple months ago. I don't know why they hired me! I went to art school! A week after my initial interview, my boss called me into his office and told me I dressed too weird and gave me a couple hundred dollars to go shopping for, what he called, sexy office wear. Huh? I never heard of that but I went out and bought some low cut frilly shirts and pencil skirts. Now I strut around the office delivering stuff and dispensing blow jobs and sex as needed.

Before my days in adult entertainment, I worked at a modeling agency. Yes, it was for adult performers, but very reputable and constantly busy. Now that I'm working in the business, I told the director that I wanted to recreate my initial interview with them. So I found the line green bra and panty set and my clothes from that day and went into the shoot. I told the director that I would do everything I did back then, and he asked if, when we finished that, would I use a vibrator. I said I'd love to.

I love the winter in Key Largo. The sun, the heat and the chance to spend some time by and in the pool. I'm a bit of a water baby and love to swim sans suit. I love the sensation of water flowing over my naked body and I leisurely swim in our backyard pool. As I surface between strokes, I can see my husband Steven, working on some of his office papers on a table at the side of the pool. He looked up as I made my way down to his end of the pool, and raised a glass of fruit juice in salute. I smiled at him and continued with my laps.

As I made the turn at the far end of the pool, I saw Steven's business partner Antonio came into the pool area. He walked over to Steven and bent down and spoke to him. Steven looked in my direction for a moment, and then he smiled at me and nodded at Antonio.

Antonio turned and walked back into the house. I swam back to where Steven was anchored and asked what Antonio wanted from him. He was always taking Steven away on some business matters and I rarely got to spend time with him.

Without looking up from his paperwork, Steven tells me that Robert from the office was bringing some

more papers over that needed their immediate attention. I looked at Steven and shook my head slowly. I puckered up my lips and blew him a kiss and turned to swim yet another lap or two. As I made my way down the length of the pool, I felt an exciting feeling that I always got on occasions like this. My nipples stiffen and I get that exciting warm glow deep in my stomach. No matter how many times it happens, I always felt this way when I knew that there was a possibility a stranger was going to see me naked.

I got out of the pool and walked over to get my towel near Steven. He smiled and reached out and gently caressed each one of my breasts telling me once again that I have a beautiful body. A body as perfect as mine should be admired by everyone. I gripped his hand and smiled. I sat in the chair next to him, nude, and took a sip of my drink. He put his pen down and we started talking about our earlier times together.

As our relationship blossomed, I discovered the pleasure it gave him to see me naked. Right from our early days as lovers he used to encourage me to undress for him as soon as we were alone and in the privacy of our own home. He never seemed to tire of admiring my naked body. As for myself, after a bit of initial shyness, I soon discovered that displaying myself to him in this way also gave me pleasure. Even when we went out, Steven liked to see other guys admiring me.

One day we set off out of town for a day walking out in the countryside. We parked at a well known beauty spot and took a trail through the woods following a stream. After an hour or so walking, we found ourselves in a secluded clearing in the woods where a small waterfall dropped gurgling into a crystal clear pool. We looked around and decided that this would make an ideal spot to eat our food and rest for a while. We spread a blanket out, and while he laid the food out, I took my shoes off and dangled my feet in the cool water. It had been warm walk-

ing and the cool water felt great.

We ate our lunch by the stream and spent time talking. We nuzzled and kissed and I told him that I felt like taking a dip in the water, but I hadn't brought a swimsuit. He asked if I really needed one since we were so far away from everything and everyone. Who would see me?

I looked at him for a moment, all sorts of thoughts going through my head. Could I do it, undress out here in the woods? What if someone should come along? But then what was the chance of that? We had seen no one all morning. I suddenly made my mind up. I got to my feet, and slowly removed my clothes. I was an exciting feeling when I stepped out of my panties and stood there naked with the sunlight warming my flesh. With one last look around, I slipped into the water. It felt cool, naughty and wonderful at the same time. I turned and looked at Steven, and to my surprise, I saw he was also undressing and soon he joined me in the stream.

He came over, took me in his arms, and pressed my naked body against his. I could feel the hardness of his cock pressing against my stomach as we kissed. I realized that he was very much aroused. Reluctantly we broke apart and splashed around in the cool water together. Then he helped me out and we lay on the blanket. I made no objection as he leaned over and kissed each of my hardened nipples before easing himself between my legs. The next moment I experienced that wonderful moment as he entered me. Sex with Steven was always wonderful, but this time, with the added excitement of being outdoors and with the chance of being observed, made the sensations even more exciting for the both of us.

After we had rested from our swim, we sat and drank some more wine, still remaining naked while letting the warm sun dry our bodies. With the bottle finished, we packed away the remains of our picnic, and I was about to put my clothes on when

Steven laid a hand on my arm and stopped me. I looked at him and he asked if we could walk to the car like this – naked. I hesitated, but everything had been going great and there didn't seem to be anyone around so I smiled and said, "Let's do it." Steven smiled as he packed our clothes into his backpack, and luckily or unluckily, depending on how you look at it, we came across no one. We walked most of the way back to where we had left the car before putting on some clothes. I think that day, the outdoor sex and the naked walk back to the car, was a bonding moment in our relationship. I must admit even now, I enjoyed the whole experience so much: being naked tinged with the excitement of possibly being caught by strangers. I knew that Steven enjoyed it as well.

Breaking our discussion were Antonio and Robert and the armful of papers they brought to the table. I got up and walked over to the edge of the pool, letting the three men watch my tight firm booty walk away from them. Robert accidentally knocked my glass off the table and I turned to giggle at him. Having done so, I dove into the pool and drifted away to naked nirvana.

COMPANY COMPTROLLER

It's up to me to keep this company solvent. That means long hours, long meetings, long speeches, and more. That's why there's a bed in my back office. There are many nights after long hours that I cannot home, so those long hours often translate into lonely nights. I've also set up private cameras to be sure nothing goes wrong. After working hours there's still more to do, but this time it's on me, my pussy and my butthole. So I summon Neeo and tell him to get on his knees and lick me. Then I return the favor taking his cock straight into my mouth and give that dick a thorough sucking. Then he'll stuff his cock deep into my pussy – and the ultimate prize, my fine corporate ass.
